**RE: Letter of Intent for Purchase of E-Rate Related Wireless Equipment Under NC10WIFI06**

Neuse Charter School intends to leverage E-Rate and NCDPI connectivity funding to purchase, contingent upon the issuance of an actual purchase order, E-Rate eligible networking equipment. Said equipment is listed under North Carolina Wifi Contract # NC10WIFI06. The attached pricing sheet includes the cost of equipment totaling \$29,997.00. This represents a 40% discount on hardware as negotiated by the State of North Carolina. This purchase will be for equipment only. No software, programming, or training is included.

This equipment will support staff and student network and internet access throughout and exclusively at Neuse Charter School's campus (BEN #16061693). It is necessary to provide Internet connectivity throughout the building.

Sincerely,
